No. 765.—M R Ry Parthasarathi Goundan, President, Panchayat Board, Kottapakkam Melcheri in the North Arcot district, was called upon to show cause why he should not be removed from the office of President of the Panchayat Board for having wilfully omitted to carry out the provisions of the Madras Local Boards Act, 1920, and the rules issued thereunder in respect of the following matters :—

(1) that in 1929-30 he failed to disburse in full the teaching grant drawn by him and paid a portion of it in an unqualified teacher to whom no grant had been sanctioned and the replacement of whom had been specially ordered by the Inspector of Municipal Councils and Local Boards and that in 1930-31 he continued to employ the same unqualified teacher and overpaid him while he omitted to pay a qualified teacher the amount of grant drawn on his behalf,

(2) that he diverted a certain amount from the teaching grant to school contingencies without any authority,

(3) that he failed to remit into the treasury the savings of teaching grant arising from vacancies in the posts of teachers, and

No cause against his removal having been shown by the President within the prescribed time, Government hereby remove M R Ry. Parthasarathi Goundan from the office of President of the Kottapakkam Melcheri Panchayat under sub-section (1) of section 43 of the Madras Local Boards Act, 1920.

The calves supplied should answer the description noted in the schedule hereto and should be brought, if purchased in the mofussil by passenger train alone for which the South Indian Railway and the Madras and Southern Mahratta Railway Companies have, at present agreed to charge a special rate of eight annas per wagon of not exceeding 40 calves per mile, at owner's risk with one attendant free of charge. The Institute cannot hold itself responsible nor contribute any share if the above rates are changed during the year of contract but will render all necessary help in corresponding with the railway authorities to keep up the agreed rates. Each truck of calves supplied should be supported by a receipt from the railway authorities that the calves were brought by the passenger train. The intending tenderers may quote their terms on the above understanding.

2. Tenders will be opened precisely at 3 p.m. on the 13th June 1932, by the Director, King Institute, at his office at Guindy, in the presence of those tenderers who may choose to attend.

3. (a) Tenders should be superscribed "Tenders for the hiring of calves" Each tender must contain not only the rate of hire, but also the total hire value of the supply The rates quoted should also be expressed in words.

(b) Corrections if any, in the tender, must be initialled by the tenderer failing which the tender will be rejected.

4. Each tender must be accompanied by a deposit in currency notes only as earnest money of the amounts noted in the schedule. This deposit will be returned to unsuccessful tenderers immediately on application or otherwise within one month and to the successful tenderers as soon as they have satisfactorily executed their contract bond.

5. No person making a tender shall be allowed to withdraw it within 30 days from the date thereof and in the event of his so doing, his earnest money deposit shall be forfeited to Government.

6 The earnest money deposit of successful tenderers will be liable to forfeiture if they fail to execute the bond binding them to supply, the cost of stamp being borne by the contractors executing it. They should also furnish security in cash or Government promissory notes to the extent mentioned in the schedule within one week from the date of acceptance of the tenders being made known to them.

7. The supplies should begin from 1st July 1932 and be made for one year from that date

8. No advance of cash will be made to the contractors. Payment of hire in respect of the accepted calves will be made as soon after their acceptance as possible. The totals of contractors' bills should be rounded off to the nearest rupee (i.e., fractions of less than half are disregarded and half a rupee and over are taken as a rupee) in case of bills amounting to Rs. 25 and upwards. In the case of bills for less than Rs. 25 the totals should be rounded to the nearest anna (amounts below 6 pies are disregarded and 6 pies and over are taken as 1 anna).

9. It shall be optional with the Director of the King Institute to indent for a larger or smaller number of calves than those mentioned in the schedule and to suspend supplies as and whenever necessary during the period of contract.

10. The contract must not be sublet.

11. The Director reserves to himself the right of rejecting a tender without assigning any reason for so doing.

12. In case the contractors after taking the contract be not willing to supply as per their agreement, they shall give at least one month's notice and shall forfeit the security to Government. In case of failure to supply calves on the dates required by the Director, the contractors shall be fined no amount fixed by the Director, which will be deducted from the moneys due or the security. The contractors will also be bound to make good to Government any loss which may arise from their withdrawal or failure. In the event of the Director having to purchase or hire out the calves specified in the contract locally at higher rates than those contracted for, the excess price shall be deducted from the other moneys due to contractors or the amount of security, without the contract being cancelled by Government.

13. No calves shall be supplied to the Institute except on the authority of the Director or some responsible officer authorized by him in this behalf.

14. The calves hired out will be released after the vaccine operations thereon have been carried out and when no longer required. In the event of any casualty occurring among the accepted calves during their period of detention at the Institute the Institute will indemnify the contractor at the rate of Rs. 2 per calf.

15. The respective contractors shall remove the done calves within twenty-four hours after they are released. Calves not so removed will be disposed of by private sale or otherwise and the amount thus realised less departmental expenses incurred will be paid to the owners. The contractors cannot claim this amount as a matter of right.

16. Government reserve the power of interference and the acceptance of any tender by the Director of the Institute or the Surgeon General is provisional and subject to cancellation by Government at any time within three months of acceptance by the above officers without reason being given.
